Duane: +351 910 534 514

we are ready to party with you!

“Wow! What can I say, Duane and Wes were absolutely amazing on our wedding day, from start to finish. Not to mention how helpful Duane was prior to the wedding with all my queries and requests, always quick to respond and nothing was too much trouble. Very friendly and always smiling, always putting song requests on. The guests all commented on how great they were. Thanks for making our day special!”

Mr & Mrs Marsh

who we are...

Algarve DJ Hire was born when Wes and Duane got married in the Algarve and struggled to find services like we were used to in the UK. Already owning a DJ and Photobooth company in the UK, Wes being a DJ for 27 years, we knew what we wanted and struggled to find it.

The Algarve was already our place to holiday and very quickly became the place to live. In 2017, Algarve DJ Hire was launched and we brought the level of fun, service and professionalism that was sorely needed for destination weddings and events.

Role on a few years and we are a well established staple in the Algarve Wedding Scene offering our clients great events, day in, day out.

ABOUT DJ DOUBLE

hey There

I'M
WES, A.K.A DJ DOUBLE

I started as a professional DJ in clubs when I was just 13 years old! I have a love for music which goes back to me being a very small child and played instruments, like classical piano, since I can remember. I love music and I love that I can share this with other people.

Giving people a party to remember is my top priority and having a full dance floor all night long is what we strive for.

When you book a DJ with Algarve DJ Hire, it is me... Always!

CLIENT *Testimonials*

Thoroughly recommend for the perfect occasion. Very friendly and professional, gauged the mood of the party perfectly and played all our requested tracks. It was a wonderful surprise when we were supplied with photos of the day, we will treasure them. Thanks again.

Honestly cannot thank you enough for your amazing service at our wedding on the 7th of May this month. You truly made our wedding, making announcements, running around getting everything sorted for the speeches was just perfect. Then onto the whole night of dancing, everyone had the best time. Thank you so much !

Omg what an amazing experience. Booked Algarve Dj for my daughters hen night on Saturday 16th July at the Villa we had in Albuferia. Wes was absolutely fantastic he completely made my daughters hen party weekend. Thank you Wes you were absolutely fantastic x

If I could give more than 5 stars I would. I hugely recommend Wes & Duane. Amazing communication, recommendations to the actual day which they smashed it out the park. If you're from England and worried about getting Wed in the Algarve then put your trust in Algarve DJ. They won't let you down. Amazing day!! Thank you so much Wes & Duane.. lots of love the Gibson's

dj, sound & lighting

When booking a DJ for your event it is essential you look around and do your research. Not every DJ will be able to accommodate your wants and needs... Music is subjective, you may want a specialist house DJ or a general wedding DJ, one may not be able to do the other.

DJ Double has been providing entertainment in clubs around the world, local bars, events and weddings for 27 years and has gained an immense music knowledge to suit the majority of occasions.

Our packages detailed on the next page are what the majority of our clients need, however if you would like a more bespoke quote, we are able to do that too.

“Absolutely great service right from the start. Initial visit on the website tells you all you need to know about different packages and options - clear message without any hidden charges, fees and extras. Duane & Wes were very flexible both beforehand and especially during our big day when we were changing photo booth set up and sequence of songs played during the wedding. They made us feel comfortable at our own wedding with gentle guidance and going beyond what you would expect to make sure our special day was a success. We highly recommend their services.”
